## Prior to training/match (both home & away):-

- Have fully stocked in date first aid kit
- Appropriately first aid trained person in attendance (minimum Level 1)
- Emergency access is clear & any key needed is readily available (know who/where)
- Know any specific venue procedures
- Ensure contact details of parents/guardians are available for all players
- Be aware of any pre-existing medical conditions. If any medication is required by a player ensure they have this (if not should not be participating)
- Have a charged mobile phone
- Know where the nearest available AED is and how to access this –
   What3words ///extend.rift.imprinted
- Ensure all staff are clear on the FA concussion guidelines
- Know where the nearest A&E department is
- Ensure that the relevant PPE is available to comply with FA Covid guidelines

## In case of emergency:-

- Follow first aid procedures to assess player (to level of your training)
- Do not move a player if seriously injured, call 999/112
- Record details of any incident occurring and report as necessary

CWO Telephone – Jon King 07507710135, Chairman Andy Barr 07970418752 and Secretary Kat Burdett 07710517400
