## **UNDER 6/7'S PLAYER'S EXPECTED BEHAVIOURS**

Football is fantastic and it is great playing and being involved in a team. It is also important that everyone behaves themselves when playing football.

As a player you have a big part to play to make the game fun for all.

### **Therefore I will:-**

- Listen and respond to what my Coach says at all times. When my coach is talking I am listening.
- Be kind to my team mates
- Respect my team mates and my Coach
- Talk to someone I trust if I am unhappy about someone at my club.
